## DRAMATICALLY CHANGING LIVES

*Together we can continue to empower individuals to thrive.*

"This holiday season, we celebrate Holy Angels' 60 years of faith, service, and transformation! For six decades, we've stood as a sanctuary of hope, founded by visionaries like Bishop Greco, the Sisters of Our Lady of Sorrows, and devoted community leaders. Their dream continues through every person we serve.

Holy Angels has transformed the lives of over 1,000 children and adults with disabilities through compassionate care, education, job training, and community integration. Families of individuals with complex medical and behavioral needs face overwhelming challenges, from managing care and financial strain to profound isolation. Holy Angels is a lifeline that restores hope. "
